EUSKALTEL, S.A.

EXTRAORDINARY GENERAL MEETING OF SHAREHOLDERS

Place, date and time of the meeting

The Board of Directors of Euskaltel, S.A. (“Euskaltel” or the “Company”) has resolved to call an **Extraordinary General Meeting of Shareholders** to be held at the registered office (located in Derio, Biscay, at Parque Tecnológico-Teknologi Elkartegia, Edificio 809), on **29 September 2020 at 11:00 on first call**, or if the required quorum is not met, then on second call, the next day, 30 September 2020, at the same place and the same time. Although two calls are provided for, it is expected that the required quorum will be met on first call, for which reason **the Extraordinary General Meeting of Shareholders will in all likelihood be held on 29 September 2020**, unless the shareholders are advised otherwise on the corporate website (www.euskaltel.com) and through the daily press.

Considering that, at the time of the call to the Extraordinary General Meeting of Shareholders, there is a continued health risk associated with the spread of the SARS-CoV-2 coronavirus, which transmits the disease known as “COVID-19”, the Company’s Board of Directors has resolved that the Extraordinary General Meeting of Shareholders will be held behind closed doors, exclusively on-line, i.e. without the physical attendance of shareholders or their proxy representatives or guests, in accordance with the channels of participation provided for in Section 41.1.(d) of “Royal Decree-law 8/2020 of 17 March on Extraordinary Urgent Measures to Address the Economic and Social Impact of COVID-19” (“**Royal Decree-law 8/2020**”), including on-line attendance, the granting of proxies by remote means of communication –including a proxy in favour of the Chair of the Meeting–, and early voting through remote means of communication. The foregoing is intended to avoid:

- (i) on the one hand, risks to the health of the Company’s shareholders and their proxy representatives, which continues to exist despite the implementation of the state of alarm declared by the government of Spain as a result of the health crisis deriving from COVID-19; and
- (ii) on the other, discriminatory situations that prevent effectively guaranteeing equal treatment between those shareholders who can freely move among Autonomous Communities on the date of the Extraordinary General Meeting of Shareholders and those shareholders who are affected by geographic or other lockdowns as a result of the restrictions recently imposed on mobility in certain regions (or those that hereafter apply) due to a resurgence of the COVID-19 contagion.

Without prejudice to the foregoing, in order to ensure the orderly conduct of the Extraordinary General Meeting of Shareholders, the Chair of the Board of Directors, who will also be the Chair of the General Meeting, the CEO and the Secretary of the Board of Directors, accompanied by the Notary who has been requested to prepare the minutes of the General Meeting and any necessary support staff may attend the place where the General Meeting will be held, observing the required safety and distancing measures.

The other members of the Company’s Board of Directors will attend the meeting, which will be considered to be held at the registered office regardless of the location of the Chair of

the Meeting, by audio-conference or video-conference, pursuant to the provisions of Section 41.1.(d) of Royal Decree-law 8/2020.

The ability of the shareholders to attend and vote at a General Meeting of Shareholders in real time through remote means of communication is expressly provided for in articles 28, 31 and 38 of the Bylaws and in the Additional Provision of the Regulations for the General Meeting of Shareholders.

Pursuant to the current Additional Provision of the Regulations for the General Meeting of Shareholders: *“Shareholders with the right to attend may attend the General Meeting of Shareholders using on-line means that allow their connection in real time with the venue or venues in which the General Meeting of Shareholders is held, provided that this is so approved by the Board of Directors as allowed by the state of art, pursuant to the provisions of article 31 of the Bylaws and without prejudice to the right of the shareholders to cast an absentee vote as provided in article 26 of these Regulations”.*

Furthermore, pursuant to the provisions of article 28 of the Bylaws, *“In cases of on-line attendance at the General Meeting [...] the call to meeting shall describe the deadlines, forms and manners of exercising the rights of shareholders provided for by the Board of Directors to allow for the orderly conduct of the General Meeting”.*

The means for exercising shareholders' rights are those provided for in this call to meeting, which, together with the instructions published on the Company's corporate website (www.euskaltel.com), will ensure the effective exercise of the shareholders' rights to information, attendance and voting and equal treatment among shareholders in the same position.

**REPORT OF THE BOARD OF DIRECTORS OF EUSKALTEL, S.A. RELATING TO THE
PROPOSED APPOINTMENTS OF DIRECTORS INCLUDED IN ITEMS ONE AND TWO OF THE
AGENDA FOR THE EXTRAORDINARY GENERAL MEETING OF SHAREHOLDERS OF
EUSKALTEL, S.A. CALLED TO BE HELD ON 29 AND 30 SEPTEMBER 2020, ON FIRST CALL
AND SECOND CALL, RESPECTIVELY**

1. Object of the report

This report is submitted by the Board of Directors of EUSKALTEL, S.A. (“Euskaltel” or the “Company”) pursuant to the provisions of Section 529 *decies* of the consolidated text of the Corporate Enterprises Act (*Ley de Sociedades de Capital*) approved by Royal Legislative Decree 1/2010 of 2 July (the “Corporate Enterprises Act”) in connection with the proposed appointment of Ms Mato Otero and Ms García Fau as new independent directors of the Company.

The Board of Directors has taken into account the conclusions set out in the corresponding proposals of the Appointments Committee dated as of the date hereof and attached to this document as Annex I and Annex II, respectively, in the proposed renewals of the Board of Directors regarding the appointment of Ms Mato Otero and Ms García Fau as directors of the Company.

The proposed appointment of Ms Mato Otero and Ms García Fau as new independent directors is based on their broad experience and professional background, their training, and their contribution to diversity within the Board of Directors, from the gender perspective.

The proposals of the Appointments Committee attached as annexes to this document contain the following information: (i) the professional profile and biographical data of the candidates for director; (ii) other boards of directors to which the candidates belong (whether or not boards of listed companies); (iii) the category to which the directors should belong; and (iv) any shares of the Company and derivative financial instruments whose underlying assets are shares of the Company of which the candidates are holders.

The Board of Directors believes that both proposals, considered together, contribute to increasing the level of independence of the management body, on the one hand, and the diversity of skills, knowledge, experience, origin, nationality, age and gender within the Board of Directors, on the other, in accordance with the provisions of Section 529 *bis* of the Corporate Enterprises Act and principle 10 of the “Good Governance Code of Listed Companies” –approved by the board of the National Securities Market Commission (*Comisión Nacional del Mercado de Valores*) on 18 February 2015 and partially revised on 26 June 2020 (the “Good Governance Code”)–, which inspires recommendations 13 and 14 of the Good Governance Code.

2. Assessment of the competence, experience and merits of Ms Mato Otero

The competence, experience and merits of Ms Otero, whose appointment as a director is submitted to the shareholders at the Extraordinary General Meeting of Shareholders, are described in detail in the proposal of the Appointments Committee attached to this report as Annex I.

Based on the information set out in the proposal submitted by the Appointments Committee, the Board of Directors has been able to verify that the candidate has the competence, experience and merits required to hold the position of director.

In particular, the Appointments Committee has evaluated the broad experience and professional background of the candidate, especially in the area of advisory and consulting services in information technology, innovation and management systems, and in particular its extensive knowledge of the business and economic reality in general and, specifically, in the Autonomous Community of Galicia and its contribution to diversity from the gender perspective.

The candidate has been proposed based on the personal and professional qualifications thereof. In particular, the Appointments Committee has verified that the candidate can perform the duties thereof without being constrained by relationships with the Company, its significant shareholders or its officers, thus making the candidate deserving of the classification of independent director.

3. Assessment of the competence, experience and merits of Ms García Fau

The competence, experience and merits of Ms García Fau, whose appointment as a director is submitted to the shareholders at the Extraordinary General Meeting of Shareholders, are described in detail in the proposal of the Appointments Committee attached to this report as Annex II.

Based on the information set out in the proposal submitted by the Appointments Committee, the Board of Directors has been able to verify that the candidate has the competence, experience and merits required to hold the position of director.

In particular, the Appointments Committee has evaluated the broad experience and professional background of the candidate -especially in the field of the telecommunications sector -, its training and, in particular, its contribution to diversity within the Board of Directors, from a gender perspective, and its extensive knowledge and experience in the financial sector, which makes it valid to participate and support the Company from the Audit and Control Committee.

The candidate has been proposed based on the personal and professional qualifications thereof. In particular, the Appointments Committee has verified that the candidate can perform the duties thereof without being constrained by relationships with the Company, its significant shareholders or its officers, thus making the candidate deserving of the classification of independent director.

Ms. Garcia Fau has made a commitment to leave one or two boards of directors to which she currently belongs.

4. Contribution of the proposed candidates to the diversity of skills, knowledge, experience and gender within the Board of Directors

Considered together, both candidates allow for a strengthening of the diversity of skills, knowledge, experience and gender in the composition of the Board of Directors, in accordance with the provisions of Section 529 *bis* of the Corporate Enterprises Act and the principles inspiring recommendations 13 and 14 of the Good Governance Code.

As described in the proposals of the Appointments Committee, both candidates have knowledge of and experience in the industry and market in which the companies within the group of which the Company is the controlling entity, within the meaning established by law (the “Euskaltel Group”), do business, and they are respectable and qualified persons, widely recognised for their expertise, competence, experience, qualifications, training, availability and commitment to the duties of director. Both of them are irreproachable professionals, whose conduct and professional track record is aligned with the principles set forth in the Code of Ethics of the Euskaltel Group.

Specifically, the different professional profiles and backgrounds of the candidates ensure the contribution of multiple viewpoints and guarantee an enriching debate and a decision-making process without implicit biases.

Furthermore, the appointment of Ms Mato Otero and Ms García Fau would contribute to maintaining gender diversity within the Board of Directors, allowing for compliance in advance with the current recommendation 15 of the Good Governance Code, which establishes a gender diversity objective consisting of the boards of directors of Spanish listed companies having at least 40% female directors before the end of 2022, with the specification that the percentage of female directors should not be less than 30% until that date. If these appointments are approved by the Extraordinary General Meeting of Shareholders, the Board of Directors will comply with the 40% percentage of female directors in the Good Governance Code from 2020.

5. Proposed resolutions

In view of the conclusions of the detailed proposals made by the Appointments Committee, the Board of Directors considers that Ms. Beatriz Mato Otero and Ms. Ana García Fau have the appropriate competence, experience and merits to carry out the functions of their position and that their appointment enables the Board of Directors to continue to enjoy a balance that enriches decision-making and contributes to the debate on matters within their competence, maintaining a balanced composition, structure and size in accordance with their needs and those of the Company itself, and contributing specifically to the fulfilment of the objectives of gender diversity.

**PROPOSED APPOINTMENT OF MS BEATRIZ MATO AS AN INDEPENDENT DIRECTOR OF
EUSKALTEL, S.A.**

SUBMITTED BY THE APPOINTMENTS COMMITTEE OF THE BOARD OF DIRECTORS

1. Introduction

This reasoned proposal is submitted in accordance with the provisions of Section 529 *decies* of the consolidated text of the Corporate Enterprises Act (*Ley de Sociedades de Capital*) approved by Royal Legislative Decree 1/2010 of 2 July (the “**Corporate Enterprises Act**”), and is intended to report the result of the work performed by the Appointments Committee of the Board of Directors of EUSKALTEL, S.A. (“**Euskaltel**” or the “**Company**”) in relation to the selection of the candidate Ms Mato as an independent external director of Euskaltel and her appointment to the Company’s Board of Directors, for subsequent submission for consideration of the shareholders at the Company’s Extraordinary General Meeting of Shareholders that will be called to be held on September 2020.

- (ii) verify compliance with the specific requirements for independent directors provided by law and the Corporate Governance System, and gather adequate information regarding their personal qualities, experience and knowledge as well as on their actual availability.

The Committee promotes the profile of the Company directors being suitable for achieving the goals of the Company, which requires that candidates for holding the position of director of the Company have the following aptitudes, among others:

- (a) knowledge and experience in the telecommunications industry and market in which Euskaltel does business;
- (b) strategic vision for the businesses;
- (c) history of value creation;
- (d) management of human resources and teams;
- (e) experience in management, leadership and business strategy as a director;
- (f) highest level of ethics and respect for the business community generally;
- (g) absence of conflict of interest and available time to attend scheduled meetings of the Board and, if applicable, of its various committees; and

- (h) highest level of loyalty, commitment and sufficient and proven dedication to the Company's enterprise.

Taking into account the current composition and needs of the Board of Directors, the Committee believes that it is appropriate to submit to the Board of Directors, for subsequent submission for consideration of the shareholders at the Company's Extraordinary General Meeting of Shareholders, the proposed appointment of Ms Mato as an independent external director of Euskaltel.

In compliance with the provisions of the “*Director Selection Policy of Euskaltel, S.A.*” approved by the Company’s Board of Directors on 26 April 2016 (the “**Director Selection Policy**”), the selection of Ms Mato as a candidate for director was based on a prior analysis of the needs of the Company and of the group of which Euskaltel is the head.

Along these lines, the Committee believes that the appointment of Ms Mato and her inclusion within the Company’s Board of Directors as an independent director would contribute to achieving the primary objective sought by the Director Selection Policy, consisting of the composition of the Board of Directors favouring a diversity of knowledge, experience and gender.

Furthermore, the appointment of Ms Mato, together with the appointment of Ms García Fau, which is also expected to be submitted for consideration of the shareholders within the context of the upcoming Extraordinary General Meeting of Shareholders of the Company, would also contribute to complying with recommendation 15 of the “Good Governance Code of Listed Companies” approved by the board of the National Securities Market Commission (*Comisión Nacional del Mercado de Valores*) on 18 February 2015 and partially revised on 26 June 2020, which establishes a gender diversity objective consisting of the boards of directors of Spanish listed companies having at least 40% female directors before the end of 2022, with the specification that the percentage of female directors should not be less than 30% until that date.

- (h) highest level of loyalty, commitment and sufficient and proven dedication to the Company's enterprise.

It has also verified that she is not affected, either directly or indirectly, by any of the grounds for disqualification from or prohibition against holding such office or by having interests that conflict with or are contrary to the corporate interest as set forth in provisions of a general nature or in the internal rules of Euskaltel.

9. Conclusion

The Committee unanimously resolves to propose the appointment of Ms Mato as a director of the Company, with the classification of independent director, to fill one of the vacancies that is expected to occur within the Company's Board of Directors prior to the holding of the upcoming Extraordinary General Meeting of Shareholders of Euskaltel, for the reasons set out in this document.
